The 2011 Richmond Ride

Although the weatherman predicted a possibility of thunderstorms, we had a wonderful, clear day. There were approximately 55 horse and riders who took the journey. Dr. Tom Newton with his wagon and Ben was our "pace" setter. We held a 50/50 raffle before the ride. This was won by Wyndham

Price, a Parks & Rec worker on hand to help with the day. Mr. Price donated his winnings back to the Friends!! The day started with a wonderful luncheon at Byrd Park provided by Bruce and Linda Warner of Champion Saddlery. This was followed by a lovely stroll through Richmond's Fan district to the historical

Hollywood Cemetery. We started in the Confederate section of the cemetery and followed the historical "blue line". This covered the graves of two Presidents of the US and the President of the Confederate States with lovely views of the James River. Here are a few photos taken.
